

HARRIET'S HAIR

Harriet had such wonderful hair
It went from up here
To down over there
Because Harriet had such wonderful hair
Harriet's hair went everywhere

It went deep underwater
It went up to the moon
It climbed over mountains
It rode in balloons

It slid across icebergs
It sunbathed on the beach
It jumped over puddles
It climbed up some trees

It circled the world
And went into space
Yes, Harriet's hair
Went every place

But the hair's favorite place
It had to be said
The hair's favorite place
Was on Harriet's head
Because Harriet had such wonderful hair
Yes, Harriet's hair went everywhere
