

ASSHOLE

Hey! Look at me. Look at me. Who told you you could look at me? Think! You got to think. You never think. You know what your problem is? You think too much. Don't think. Why are you looking at me? Who said you could look at me? I'm talking to you. What does it take? Hey! Look at me. Is that so hard? What's so hard about looking at me? Who told you you could look at me? Did I tell you you could look at me? I'm talking to you. I'm talking to you. What's your problem? Hey! Look at me when I'm talking to you. Did I say you could look at me? Why are you looking at me? Don't look at me. You know I love you. Do as I say and you won't get hurt. Don't make me hurt you. You think I don't love you? You're all I've got. You got that?! You're all I got. Don't make me hurt you. I'm a nice guy. You think I'm a nice guy? You think I'm a nice guy?! I'm talking to you. Sit down here. I'm going to make this real simple. Sit down here. Here. Here. Sit down here. Who told you to sit down?! Answer me! Who told you to sit down? Was it me? Was it me? Did I tell you to sit down? Damn right, I told you to sit down. Sit down! I'm a nice guy. You think I'm a nice guy? Don't think. I'm going to help you out here. I'm going to show you how to survive.
