

## **CUP O' TEA**

Cream? Sugar? Milk? Lemon? How about a warm up? This isn't any easier for me. There's no need to give up on civility just because we have to talk about uncivilized matters. Tea? You see? That's exactly what I'm talking about. You don't have to be so abrupt. Pulling your cup away like that. You've made it perfectly clear that you don't want to be here. But I'm sorry my dear, your father is dying. Yes. I know. I poisoned him.
