

FALLING IN LOVE

Do you know how much I want to fall in love with you? Do you know I will do absolutely anything to try and prevent that? Do you know I have no idea why I am telling you this? Look - don't look at me that way. I will not be doe-eyed into being your next one-and-only. At least I don't think I will. If I could hurt you I would. I don't trust you. You don't trust you. You're like a three year old with a loaded gun. How can I trust you when you don't trust yourself?
