

## HOT-NET CENTRAL

Hello sir. Please stop slamming body parts against the receiver. No pee-pees, wee-wees, love missiles or otherwise. We ask you exercise some restraint when contacting Hot-Net Central. I'm sure most women are overcome by what sounds like a guppy being strangled. I am not one of them. Now, how can I help you today?

For full monologue contact me at [me@johnmcgie.com](mailto:me@johnmcgie.com).
