

I AM DIVINE

Hello you lovely luvs. Beautiful people. Isn't this just the best? The best. Terrific. Wow. Unbelievable. I'm lost for words. Me! Can you imagine? You chose me. Me. I'm so lucky. Who'd have thought? I'm humbled. Truly humbled. So much love. There is so much love here. And so many people. Wow. You're crazy. You're all crazy. To want me to...I don't want to do this. I don't want to be a human sacrifice. It might be a wedding to you but he's older than my father. Now, I really appreciate all the effort you guys went to. The wedding dress look gorgeous. I believe it was only worn by his previous four wives. All of who are sitting in the front row right there.
