

TRANS ASS

Slap!

What the shit? Hold up there Slick. Did you just slap my backside? You and your pimply princess giggly girlfriend might want to turn those attitudes down before the ground finds your faces in it. You don't touch nobody without asking. Nobody. My booty is a beauty built butt that struts and sways saying "Hey boys!" even when I'm standing still. You will respect it.

For full monologue contact me at me@johnmcgie.com.
