

BANG

HILLARY Hello, Ladies.

LADIES (just a few) Hello.

HILLARY First let me start by saying how pleased I am with the impressive turnout we have here this evening. Was everyone able to find a chair?

LADIES Yes.

LADY 1 I even took an end table.

HILLARY How nice. Have her shot.

Lady 1 being shot.

HILLARY As you all know the A-double S-W-I-P-E-S, Affirmative Stereotypical Stations for Women Interested in Pig Entrails Society, has hit a bit of a snag in the old PR department. Apparently Mrs. Fleebender's soiree into the arena of civil disobedience was viewed as a hostile act.

LADY 2 What did she do?

HILLARY Slaughtered, cleaned, deboned, cooked, basted and served Mr. Fleebender.

MRS F It was an accident. I slipped.

HILLARY How nice. Have her shot.

Mrs F being shot.
