

BREAST HEAD

REGINALD Do I love you? Do I ever! Do bears eat peanut butter in the springtime!

CYNTHIA Oh, Reginald. I'm so happy.

REGINALD Come cuddle in my manly chest you ramrod receptacle.

CYNTHIA Reginald, you have breasts.

REGINALD Do I ever! Melons from heaven! Can't always be a gentleman. Wink-sniff-snort. Me and the lads had a randy rouse of goldfish swallowing and cricket bat bum bashing and felt moved to have ourselves done. And then, by gawd, we felt each other. Growl-woof-bark!

JIMMY 'ello Reggie. You great guppy guzzler.
