

CASKET PURCHASE

CLERK Are you sure this is what she wanted?

MAN Oh, absolutely, yes.

CLERK Quite honestly, I don't think she's going to fit.

MAN The "Slim Line Mahogany Casket". That's what she asked for. You see, she even wrote it down so I wouldn't forget.

CLERK I can see that.

MAN One could even say it was her dying wish.

CLERK I'm not denying that, sir. It's a matter of measurements.

MAN Eh?

CLERK The "Slim Line Mahogany Casket" utilizes something we like to call "thin".

MAN Thin?

CLERK Thin. The opposite of your wife.

MAN That's not my wife.

CLERK Are you sure?

MAN *(looking very carefully even though it's an audio skit)* My gawd. Ethel! No! No!! No!!!

CLERK Are you done?

MAN *(fully composed)* Yes thanks. Sorry to keep you waiting.

CLERK Not a problem.
