

EXTERIOR DESIGN

MAN 2 Is this seat taken?

MAN No. Please feel free to take it.

Man 2 runs off with chair.

MAN If a chair is stolen in the forest will anybody hear?

BUG You see? That's just what I'm talking about.

MAN I'm sorry. Are you talking to me?

BUG A total disregard for home furnishings. Not like in my day.

MAN Your day?

BUG Yes. Tuesday. Around noon.

MAN Should I point out you're an insect?

BUG No. But it's a little late now. Besides, we like to refer to ourselves as species challenged.

MAN Species challenged?

BUG Yes. We use to like to refer to ourselves as "Bob" but it didn't get us very far.

MAN And just why are you so concerned with home furnishings?

BUG Well, it's either that or eat away at wood all day. Where's the creativity? But establishing environments through tone, depth and linear usage. Now there's something you can really sink your teeth into. Even though I don't have teeth technically speaking.
