

## FALLING APART

*SFX: Interior of a fast moving car.*

JENNY        So...

PHILIP        (abruptly) Yes?

*SFX: Car skids.*

PHILIP        Sorry.

JENNY        Why are you so nervous?

PHILIP        Am I? I don't mean to be. Sorry.

JENNY        (pause) You look very nice tonight.

PHILIP        My mother dressed me.

JENNY        Oh. (pause) Your mother has very good taste.

PHILIP        I'll have to tell her.

JENNY        (pause) Philip, don't you think it's about time we parked? The movie's beginning to start.

*SFX: Skids and crashes. Car resumes. Screams.*

PHILIP        Sorry.

JENNY        It makes it very difficult to watch the movie when we're traveling around in circles at fifty miles per hour.

PHILIP        I'm trying to find a good parking spot.

JENNY        This isn't a drive-in, Philip.

PHILIP        It isn't?

MAN            (from the crowd) Move the boat Popeye.

JENNY        We're in the balcony of the Bijou.

PHILIP        I thought it would be more romantic in the balcony.
