

FISH FURNITURE

Shops door opens and closes.

- SHOP Hello, sir. And welcome to Smiley Smiley Winston Hatchet and Bum.
Purveyors of fine fish furniture since 1947. How might I help you?
- CUSTOM I was wondering if you had any rhinos.
- SHOP Rhinos, sir?
- CUSTOM You know, rhinoceroses.
- SHOP Oh no no, sir. This is a fine fish furniture shop. No rhinos here.
- CUSTOM Are you sure?
- SHOP Quite sure.
- CUSTOM Pity. I was hoping you might perhaps have one tucked in the back or something. It's a gift for someone.
- SHOP I'm afraid rhinoceroses don't fall under our area of expertise, sir. Perhaps a rhino shop?
- CUSTOM Are there such things?
