

GENERAL MAYHEM

MAN Good morning.

GUY Good morning, sir. How may I help you?

MAN I was wondering if you had anything in general warfare and mayhem?

GUY Insurrection? Sedition? Mutiny? Upheaval? Civil unrest?

MAN No, I was thinking more along the lines of a really good spat.

GUY Verbal or otherwise?

MAN Well, I was hoping for flaying fisticuff pummeling poor defenseless civilians into an
unrecognizable bloody pulp.

GUY Woman and children?

MAN If you have them.
