

GOOD INBREEDING

MOM Come along Clarissa. Don't dilly-dally. He'll be here any minute.

CLARE But mother I have no interest in him whatsoever. His nose is bulbous, his lower lip has its own postal code, his ears make Dumbo look like an underachiever...

MOM And he's a Hapsburger! It's the inbreeding. Nothing to worry about.

CLARE He's my first cousin.

MOM I know. Isn't it exciting?

CLARE And he's in the first grade.

MOM If it's good enough for the Holy Roman Empire it's good enough for you.

CLARE He lives in a subsidized duplex on 41st and Oak.

MOM He's royalty.

CLARE He's deformed.

MOM Isn't it wonderful? Proof positive he's royalty!

Knock at door.

PRINCE Can Clarissa come out and play?

MOM Not before she's married. Would you like to see her naked?

CLARE Mother!
