

HOLDING HANDS

SFX: A door closes.

BILLY Hi Mom.

MOTHER That was Jenny's mother on the phone.

BILLY Oh yeah. What'd she want?

MOTHER It seems Jenny's pregnant. From what Jenny told her mother you and her had held hands a couple of times.

BILLY We did not! Besides our fingers never crossed.

MOTHER Billy, didn't you know that holding hands could get Jenny pregnant?

BILLY I wore gloves.

MOTHER Which gloves?

BILLY The blue ones.

MOTHER The blue ones?! I know of at least three distinct holes in those gloves off hand.

BILLY They cover the fingers.

MOTHER You have to cover the whole hand.

BILLY You do? Oh, gosh darn it Mom. What am I going to do?

MOTHER I'm afraid you're going to have quit school and take up a job. You're going to have to be able to support Jenny when the time comes.

BILLY Couldn't I just buy her a bra?

MOTHER No!

BILLY But I'm only eleven years old.

MOTHER Well, why didn't you think of that before?
