

## OPERA GUARD

*Opera music.*

GUARD Do you think they're supposed to look like that?

LADY Do I know you?

GUARD No. It's a pleasure to meet you. They sure don't look too good. Maybe it's something they ate.

LADY Please stop talking to me.

GUARD Who do you want me to talk to then?

LADY I'm sure I couldn't care less.

GUARD Sure. Easy for you to say. How do I know that? Maybe you could care a lot less but you don't want to share.

LADY Go away.

GUARD Okay. Where do you want to go?

LADY Nowhere. I want you to go away.

GUARD But I wouldn't leave without you. That would be rude.

LADY I'm going to call security.

GUARD I am security. Do you want the number?
