

## WEDDING

OOG Oo. She looks lovely, doesn't she?

SMOT Doesn't she. Yes.

POW You can hardly see that section of tailpipe sticking out of her head.

OOG Yes. They've done a lovely job, haven't they?

SMOT Yes.

POW Yes.

OOG I heard that you can live without 97% of your brain if you have to.

SMOT Yes. The rest is just ballast so your head doesn't fall off.

POW My head fell off once. I wasn't paying attention and "poof" off it went.

OOG I heard you can live up to 47 days without your head but it makes for very dull conversations.

SMOT Shh. Shh. Quiet. They've started the music.

POW All brides are beautiful on their wedding day.

OOG Look how proud the father is.

SMOT Doesn't he look handsome.

POW That's not her real father, is it?

OOG No. It's a rental. Her real father is seated at the front row, four in from the left.

SMOT Wise choice.
