

## APPOINTMENT

SNOG            Would it be better if I come back later?

BOSS            You haven't come in yet.

SNOG            Shall I make an appointment then?

BOSS            For what?

SNOG            So that I can see you to find out whether or not I should come back later.

BOSS            You can come in now if you like.

SNOG            What? Without an appointment?

BOSS            If you'd like.

SNOG            All formalities out the window with you I can see.

BOSS            If you'd prefer to make an appointment . . .

SNOG            No, no. I like a man in charge. Straight to the whip. Ho ho. I can see I'm  
going to like working here.

BOSS            Ah, so you work here, do you?

SNOG            No. Not yet. I was hoping to get an interview but I didn't know who I  
should talk to.

BOSS            That would be me.

SNOG            You?

BOSS            Yes.

SNOG            How fortunate. When would be a good time to see you, then?
